

Now you can enjoy all your favorite shows right in your own backyard! Watch sports the way they were meant to be enjoyed.....outside! You'll never want to watch a ball game inside again.

CINIOS TVs are designed to exacting standards for maximum enjoyment in your backyard. Protection from the elements gives you peace of mind while the brilliant picture can stand up to full daylight conditions.

All this in a sleek design that will be the envy of the neighborhood.

### HIGHLIGHTS:

- CINIOS WeatherProtect System suitably protects against rain, humidity, spraying water, sun, and dust.
- LED Panel uses less power - saves energy and money.
- High Brightness panel and anti-reflective surface enhances viewability in full daylight.
- Wide operational temperature range lets you watch TV in all types of weather.
- Day/Night brightness adjustment for quality viewing all day and night.
- Waterproof, Storable, Remote Control for safety and convenience
